Email Sample 1: Crypto Wallet Phishing

From: support@ledger-security.com
Subject: ⚠ Urgent: Your Ledger Wallet Is At Risk
Dear Customer,
We detected unusual activity on your Ledger wallet.
Immediate verification is required to secure your account.
Verify your wallet here:
[https://ldger-started\[.\]wixstudio\[.\]com/start-en](https://ldger-started[.]wixstudio[.]com/start-en)
Failure to complete verification within 24 hours may result in permanent account suspension.
Regards,
Ledger Security Team

Email Sample 2: Job/HR Phishing (Equipment Deposit Scam)

From: recruitment@global-tech-solutions.net
Subject: Urgent: Application Status for Data Analyst Position
Dear Candidate,
We are pleased to inform you that your application for the Data Analyst position has been shortlisted.
To proceed to the final interview stage, you are required to log in to our candidate portal to verify your identity.
Additionally, a refundable security deposit is required for your company-issued hardware (Laptop & Headset).
Please complete this within 24 hours to secure your slot.
Regards,
Recruitment Team

Email Sample 3: Delivery / OTP Phishing

From: support@delhivery-express.net
Subject: Delivery Failed – Action Required
Dear Customer,
We attempted to deliver your package today, but the delivery failed due to an incomplete address.
To reschedule your delivery, please confirm your details using the link below:
[https://delhivery-update\[.\]track-order\[.\]co](https://delhivery-update[.]track-order[.]co)
You may be required to verify your identity using a One-Time Password (OTP) sent to your registered mobile number.
Failure to confirm within 12 hours will result in package return.
Regards,
Delhivery Support Team

Email Sample 4: Bank Account Phishing (Account Freeze Scam)

From: security-alert@axisbank-online.support

Subject: Urgent: Your Account Access has been Suspended

Dear Customer,

We have detected unusual activity on your account from an unrecognized location.

For your protection, your online banking access has been temporarily suspended.

To restore access and avoid a permanent freeze on your funds, please verify your identity immediately using the link below:

[https://axisbank-verify\[.\]secure-login\[.\]co](https://axisbank-verify[.]secure-login[.]co)

Failure to act may result in permanent account restrictions.

Regards,

Axis Bank Security Team
